“Talking Heads” A Presentation by Metropolitan Grand Chapter

Dear Brethren and Companions,

Unity Lodge No. 6709 will be holding a special event on.

Tuesday 5th March 2019 at 6.45.PM with **“TALKING HEADS”** presentation of the Holy Royal Arch will be given by Metropolitan Grand Chapter.

Venue: Masonic Hall, Harries Avenue, Llanelli, SA15 3LF

“Talking Heads – The Next Step: Into the Royal Arch” is a playlet given by three approved presenters introducing the Holy Royal Arch (or Chapter) to new Master Masons or re-introducing the order to Craft Masons who may have been members in the past. It covers the Order, its close links to the Craft and explains why the Holy Royal Arch is the climax and completion of pure and antient Freemasonry.

This presentation has been given over 150 times including more than 27 in the Provinces and has been adopted by numerous Provincial teams around the country.

The presentation is suitable to all Masons, although Entered Apprentices and Fellow Crafts are asked to leave the Lodge for a short period during the explanation of some of the links between the Royal Arch and the Craft but will be re-admitted for the remainder of the presentation.

The presentation ‘Team’ hosts a short question and answer session after the presentation.

It is / is not* my intention to be present at the Unity Lodge Festive Board on Tuesday 5th March 2019.
(The cost of the meal will be £12.00 per head).
